

Employment & Career Counseling

Free at Womenspace

Womenspace is providing free employment & career counseling for women who are experiencing domestic violence, or women who have experienced domestic violence in the past.

We can assist you with...

- Writing resumes, job cover letters, and school applications
- Building your interviewing skills
- Searching for careers, schools, financial aid, and jobs
- Identifying your career skills and interests
- Planning your short- and long-term goals
- Connecting you with other service agencies

*****Schedule your appointment today*****
